

LED ROUND TRACK LIGHT

BOL-ETL-R

DESCRIPTION

Offering high-quality, flexible and directional accent lighting in clothing stores, shops, galleries, museums and homes, Blue Ocean's BOL-ELT-R-45W LED Round Track Light series is energy-efficient, cost-saving and eco-friendly, uniquely designed in elegant cylinder shape in white, silver or black. Engineered with superior CREE COB chip, this track light series is assured of outstanding luminous efficiency, colour efficiency and extremely low lumens depreciation. No shadow, no flickering, instant start and excellent penetrability are guaranteed by the advanced LED technology applied, with flexible design allowing the freedom to swivel and turn 350° horizontally and 90° vertically and beam angle available from 24° to 60°. High-efficient thermal control system allows LED source to consistently run cooler and reach its optimal performance.

SPECIFICATION CHART

Model	BOL-ETL-R-45W
Voltage	100-277VAC
Wattage	45W
Lumen Output	4070lm
CRI	80
PFC	0.95
CCT	2700K 3000K 4000K 5000K
Beam Angle	38° 60°
Housing Color	White Black Silver
Operating Temp.	-20~45°C
