

## LED OUTDOOR STRIP LIGHT BOLFS35

### DESCRIPTION

Adding fashion and flexibility to your various outdoor water-proof required linear lighting projects in terms of display cases lighting, cabinet decorating, cove lighting, back lighting, accent lighting etc., Blue Ocean's BOLFS35 Outdoor LED Strip Light series brings you incredible bright and comfortable visual experience with IP67 rating for outdoor damp and wet location. LM80 approved 3528 LED chips are utilized to ensure high energy efficiency, excellent color consistency and low lumen depreciation. Consisting of 300 LED chips in 16 ft (5 meter) length, it is flexible for any DIY projects: A smallest unit of 3 LEDs (for 12V product) or 6 LEDs (for 24V product) can be cut out and re-connected without damaging the rest of the product, and the required rewiring length is 5 meters (12V) or 10 meters (24V). It also comes with an adhesive backing for easy installation. Product is ecologically friendly with no UV or IR radiation and little heat produced, reaching an exceptionally long lifetime of 50,000 hours.
